FLUSHING MEADOWS CORONA PARK, QUEENS

MAP AND DIRECTIONS (TOURNAMENT: JULY 9th—JULY 24th)

Flushing Meadows Corona Park is located in Flushing, Queens. Games will be played at Fields 8 and 9.

By Subway and Train

The easiest way to Flushing Meadows is by the #7 subway and the LIRR train. The **#7 subway line** stops at **Willets Point/Shea Stadium**, above Roosevelt Avenue in the northern part of the Park. The station is surrounded by Shea Stadium parking. Walk down pedestrian ramps to the main Park or Shea.

It's just a short walk to the US Open's East Gate entrance. Walk further south to the Unisphere and Queens Museum of Art (10 minutes).

The **Long Island Railroad (LIRR)** has a stop at Shea Stadium along its Port Washington line (right at #7 subway station). Check the LIRR site for schedules. The LIRR **only stops** at Flushing Meadows when the Mets are playing or the US Open is in session.

By Car

Grand Central Parkway

Grand Central West (toward Triboro)—Exit 9P (Flushing Meadows Corona Park)—Turn left for tennis/Shea or right for the **QMA** and Unisphere parking. Else take exit 9E for Shea Stadium.

Grand Central East - Exit 9E (Northern Blvd-east)—Follow access road signs to Shea Stadium. Right on Stadium Rd. Follow road counter-clockwise around Shea Stadium and under Roosevelt Avenue to USTA and main park. (Not the easiest way to the park.)

Van Wyck Expressway

Van Wyck South - Exit 11 (Jewel Ave)—Leads to an access road, from which an exit leads directly to Meadow Lake parking in the southern part of the park (and a popular BBQ spot).

Van Wyck North - Exit 12A (College Point Blvd/LIE)—A bit tricky but follow College Point Boulevard (north) and look for park entrance under expressway on left. Parking for Shea Stadium.

Van Wyck North—Exit 13W (Northern Blvd/Shea Stadium)—Leads readily to Shea Stadium and the marina. There is limited parking adjacent to marina.

Long Island Expressway (LIE)

LIE Exit 22 to Grand Central Parkway (west, Triboro Bridge)—Then exit almost immediately at 9E (see above).

LIE Exit 22 to College Point Boulevard (tricky)—Head north on College Point and look for park entrance under expressway on left. Parking available for Shea Stadium.

More Side Streets

Coming from Flushing and Kew Gardens Hills, the easiest way to reach the park is via **Jewel Avenue**. Get on Jewel headed West and take the entrance to the Grand Central toward the Triborough Bridge. Before you reach the highway, there is an entrance to Meadow Lake. (However, you cannot enter the main part of the park from this area.)

From Roosevelt Avenue you can follow signs to Shea Stadium parking. From College Point Boulevard at Avery Avenue, there's an entrance to the park underneath the Van Wyck.

By Bus

Take the Q48 to Roosevelt Avenue at Shea Stadium, and walk south into the Park. For the Queens Zoo and NY Hall of Science, take the Q23 or Q58 to Corona and 51st Avenues and 108th st, and walk east into the Park.

By Foot

Though most reach the Park by vehicle, it's easy enough to walk from 111th Street in Corona. There are pedestrian overpasses to the central area at 49th Avenue and 54th Avenue. There is an entrance to the southern Park on Jewel Avenue. Other pedestrian bridges to Willow Lake have been closed.
